

HAVERING ADULT COLLEGE

Understanding Challenging Behaviour

Develop an understanding of what constitutes challenging behaviour and learn skills to tackle it.

*This **free** five-week course aims to give you strategies to use with your child to tackle behaviour which is deemed to be challenging, both at home and at school.*

You will gain an understanding of how behaviour can be perceived as challenging and investigate the underlying issues that affect behaviour and the impact it can have on others. Develop techniques you can use with your child to address certain behaviours before they become problematic.
